Hi Adam,

Attached is a vicinity map for Soitec's proposed Tierra Del Sol project. Currently we are working with the applicant and consultants on the 2nd screencheck of the draft EIR and the technical studies. Once staff's comments are addressed and remaining issues are resolved, we will get the document ready for a 45-day public comment period. We will brief you prior to the start of public review. Please feel free to give mine and Ashley Gungle's contact information to any residents that inquire with you. I will be out of the office tomorrow and back again Thursday – if you have any immediate questions, Ashley will be here to help.

Thank you,
